Date: September 12, 2007

Project Name: State Phonebook

Is this project in support of a program designated as an Iowa Great Place, pursuant to section 303.3c?: No

Requesting Agency: DAS-ITE

Project Point(s)-of-Contact: *(include name and phone number)* Malcolm Huston

Project Sponsor: *(include name and phone number)* John Gillispie, 515-281-5061

Goal: Publication of a public directory allowing citizens to search for employee by department, location, etc. and search for departments by topic.

Project Purpose: Replacement of current rDirectory which is outdated and limited to Internet Explorer.

Background: rDirectory is an older off-the-shelf application limited to IE that has not been accurately maintained. The Iowa.gov home page is being revised and this would be a useful inclusion to that project. It would also allow employees access through an Intranet to list emails, as well as the ability to export selected listings to Excel or pdf format.

Expected Results in this Project: Public and State lookup of employees or departments.

Request: *(include dollar amount and description of what will be purchased - i.e. services, hardware, software)* $20,000

Resources Being Contributed: *(people or funds being contributed to the project by the sponsoring agency- include role/% of time or amount in dollars)*
ITE will contribute expertise in querying the current active directory for employee data; ICN will provide topic and department listings.

Interested Parties: Public through Iowa.gov, all State employees through Intranet.

Recipients of this Service: Public through Iowa.gov, all State employees through Intranet.
